

Part-Time Tasting Room Staff July 2011

We love sharing our story and our spirits with like-minded connoisseurs around the city of Chicago and beyond. Recently, the State of Illinois changed the law and we are now allowed to have a tasting room and tour program at our distillery, which we started in June 2011.

We are busy enough at the tasting room, that we need one more person to complete our tasting room team. We are seeking a dynamic team-player with passion for our spirits and for cocktails, and for sharing them with other people. Our ideal candidate will work with us here at the distillery, offering samples as well as cocktails to visitors, and telling them about our company and products. In addition, this person may offer periodic tours of our distillery (after training, of course).

Our tasting room is open on Fridays from 4 to 8 pm and Saturdays from 1 to 6 pm. You must be available during one, or perhaps, both, of these windows, at least a few days a month.

For this role, we are seeking:

- Dynamic interpersonal and communication skills
- Strong passion, and knowledge of, distilled spirits and cocktails (and ideally, at least some of our spirits)
- The ability to work autonomously, yet have a positive team attitude and collaborate with others
- Must be at least 21 years of age to be considered for this position
- Familiarity with Illinois alcoholic beverage laws is a plus

This position will be paid hourly.
